**Notice of Exemption**

issued under

**Regulation 33**

of the

**Electricity (Low Fixed Charge Tariff Option for  
Domestic Consumers) Regulations 2004**

An exemption from full compliance with the Electricity (Low Fixed Charge Tariff Option for Domestic Consumers) Regulations 2004 is granted to Electra Limited ("Electra") in respect of the following tariff categories:

- Its Anytime/Combined and Anytime/Night/Day low fixed charge tariff options.

The exemption is granted subject to Electra meeting the following conditions:

- There is no reduction in the present availability of the low fixed charge tariff options in the Electra supply area;
- Electra publishes on its website the formal Notice of Exemption, as required by regulation 34; and
- Electra is fully compliant with the regulations on or before 1 April 2005 or has made a further application for exemption from the regulations.
