

## **2004 ODV VALUATION**

Electra's electricity assets were valued by PWC and Kerslake and Partners, using the Optimised Deprival Valuation (ODV) as at 31 March 2004. The total of Electra's ODV for its line business system fixed assets was valued at \$101,173,264.

The valuation was prepared in accordance with the Commerce Commission Handbook for Optimised Deprival Valuation of System Fixed Assets dated 30 August 2004.

A PDF copy of the 2004 ODV report is available from this website. If you are unable to print it please contact Viv Wright at Electra on 06 366 0934 or by e-mail at [vivwright@electra.co.nz](mailto:vivwright@electra.co.nz) for a copy.
