

Caring For Our Community

It's time to polish your favourite dancing shoes

Need to limber up? Want to tap your toes to some catchy tunes, or get out your sparkly jewels? The Horowhenua Dance Club offers fitness, fun and friendship.

Horowhenua Dance Club

If joining a gym or running makes you head for the couch, then sequence dancing could be for you. The Horowhenua Dance Club is a fun club that meets twice a week in Levin. According to committee members the benefits include fitness, friendship, much laughter, and even the odd romance! Beginners are very welcome.

Dancing can reduce stress, increase energy, help you manage your weight, and strengthen the bones of your legs and hips.

All welcome.
Phone Max on 06 364 5569 or Maureen on 06 364 8614.

The Levin Districts Brass Band will perform at the Club's benefit night, October 31. Proceeds benefit different organisations in the community.
