

Caring For Our Community

Calling Community Groups

All the best for 2008!

Let's continue Caring For Our Community

If you are a Kapiti or Horowhenua not-for-profit group, this page is for you.

Every two weeks we profile an aspect of our community which is largely unseen and needs a voice.

'Caring For Our Community' is sponsored by the Electra group of companies. Because we are locally owned, we want to help make our community a healthy and thriving one.

Now it's over to you.

We look forward to hearing from you.

This page helps support those who do amazing work, caring for others.
