

# Caring For Our Community

## Calling This page is for you Community Groups

Let's take care of each other in 2009

Electra owns and operates the electricity network in Kapiti and Horowhenua. It is Trust owned and provides an annual sales discount to every electricity consumer in the area.

As a proud member of our community, Electra's group of companies sponsor this page regularly throughout the year in the Kapiti Observer and Horowhenua Mail.

If you volunteer for a Kapiti or Horowhenua not-for-profit group, and would like to profile your organisation, we would love to hear from you.

Perhaps you have an appeal week, open day, or other community event coming up. Or maybe you need volunteers or other services. We will help you create a page that best tells your story so it reaches others.

It takes a village to raise a child.  
(African proverb)

We look forward to hearing from you.
