

Caring For Our Community

Age Concern Horowhenua

Are you confident on the road?

George Gallie (above) has been on the Age Concern Horowhenua committee for nearly five years and has enrolled in the next Safe With Age course. He's an experienced driver – he had a taxi for many years – but feels a refresher course is a good idea to help build confidence.

Age Concern has a wealth of information on positive aging. Services include advice and personal advocacy, information resources, education seminars, and exercise programmes.

Age Concern Horowhenua is offering free courses to assist older drivers on our roads. *Safe With Age* is an easy classroom-based programme, and there's one coming up in Levin April 16.
