

Caring For Our Community

Entertaining OUR community

The Levin & District's Brass Inc. band - a proud part of the Horowhenua community.

Robbie Cargil plays with the band and is currently the best tenor horn player in New Zealand. Competing is a large part of the band's activity.

Players young and old are welcome to join. Phone (06) 368 5234 for more info: www.levinbrass.orconhosting.net.nz.

The band has a strong youth programme providing one-on-one tuition for enthusiastic young people.

Brass bands are part of the New Zealand psyche - this Levin band is very proud to attend celebrations and commemorations for their community.

Catch the band Christmas carolling in Levin during December.
