FRIENDSHIP FORCE friendly face of Kapiti

Friendship Force International (FFI) formed in 1977, is a non-political, non-sectarian, and non-profit home hosting organisation. Their goals are to develop friendships, share experiences, to understand and appreciate cultural boundaries throughout the world.

In 1987 Kapiti Coast Friendship Force (Friendship Force of Kapiti Coast (Inc)) was formed and is one of more than 300 clubs in 60 plus countries.

Being a Friendship Force member enables people to travel confidently, as FF ambassadors, all around the world and to home host members from clubs throughout New Zealand and abroad. Members can apply to join journey's conducted by other clubs, in any country.

Kapiti Coast Friendship Force has 60 members but is always eager to have more like minded people who love travel or hosting interesting visitors.

The Kapiti club holds international journeys each year, as well as a number of local ones and hosts other clubs on their journeys. Theme journeys such as "Escape to Wisconsin By Bike", is on the calendar for October this year with two Kapiti members joining in.

New members are always welcome. Our group has a monthly coffee morning and other social functions. Visit our Facebook page "Kapiti Coast Friendship Force" on Facebook for details.

Electra Notice to Electra Customers

Electra is an essential service (utilities) and we will continue to carry out work that is critical to ensure network resilience, and in order to keep the power on at your place.

We have strict protocols in place to protect the health, safety and wellbeing of our people during this lock-down period also ensuring we do not compromise your safety or health.

If you ring our call centre to report an issue, and/or if we need to come to your property, we will ask you some questions related to Covid-19:

- Is anyone unwell in your house?
- Are you self-isolating due to travel or contact with someone with Covid-19?
- Is your meter board inside or outside?
- Does our faultman have ready access to the meter board?

If your meter is inside your house our staff member may have to access it. We will discuss with you how this can be achieved safely for both us and you.

Regular updates on activity and power outages are available on the following sites:
